**The Kitchen Workshop offers the following services as well...**

### **Kids Birthday Parties**

Children's Birthday party for kids ages 7 and up!

For children from ages 7-12, we offer hands-on cooking parties where the group of 8-14 children make lemonade, individual pizzas and chocolate cupcakes with chocolate buttercream frosting, all from scratch!

For the older kids, ages 13+, they learn how to make a healthy tossed salad with Italian vinaigrette, homemade pasta with tomato-basil sauce, chicken Parmesan and chocolate-walnut biscotti for dessert!

Call Art for available dates and times.

### **Corporate Team-Building Outings**

Cooking is a great way to strengthen a group of individuals that work together as a team. During 3 hours of hands-on cooking, your group will make an entire meal from scratch, learn about each other individually and work together as a whole. Who would have thought cooking and eating would unite people? But think about it, where does the family on holidays or special occasions end up?

Yes, in the kitchen, where the magic happens! Please call Art for available dates, times and references.

### **Girl's Night Out and Other Festive Occasions**

The Kitchen Workshop can accommodate your group of eight to fourteen people for whatever the occasion may be! A bridal shower, girl's night out or 50<sup>th</sup> anniversary are all occasions that The Kitchen Workshop has hosted in the past.

Please call Art for further details and to book your special gathering!

### **Girl Scout and Boy Scout Troop leaders**

If your scouts are looking to fulfill certain requirements in order to receive a cooking or service badge, please call Art for details.
